PROFILE

Motivated BCA graduate and aspiring Web Developer with a strong foundation in HTML, CSS, JavaScript, and React. Passionate about building responsive and user-friendly web applications. Eager to apply my technical knowledge, learn modern technologies, and contribute to innovative development projects.

EXPERIENCE

Frontend Developer **May 2024 - July 2024**
HashedBit Innovation

Tasks:

- Designed and developed the Home Page with a responsive layout, clear navigation, and modern UI components to enhance user experience.
- Built a Client Details Form to capture patient information securely, using HTML, CSS, and JavaScript with proper form validations.
- Developed a fully functional Login Page with user authentication logic and clean UI design.
- Ensured cross-browser compatibility and mobile responsiveness for all pages.
